To Whom It May Concern:

We have been doing business Rhett Smillie for the past 15 years. He sold us our first home in University Heights back in 95'. Since then we have become very good friends and have done some commercial leases together.

Just recently I purchased a 6,000 square foot custom home with Rhett's assistance. As everyone else does, I have several friends (even family members) that are in the Real Estate Market. We went 'deal' hunting back in November and let everyone know we were fishing for a buy. Rhett took the initiative to find us what we were looking for. Whether it was gathering information on the property, utilities, tax issues, foreclosures, public records, etc, Rhett was on top of it.

Before, during, and after the sale, Rhett takes the time to communicate and follow up to make sure his client is satisfied and taken care off. Feel free to have anyone contact me in the future concerning my experiences with Mr Smillie.

Sincerely,

David S Uzzell
